

CONGRATULATIONS ON THE NEW ADDITION TO YOUR FAMILY!

To help you through your kitten's first year we have put together this quick guide to keep your new pet happy and healthy.

If we can be of further assistance, please do not hesitate to contact the friendly staff at our practice.

Worming	Every 2 weeks until 6 weeks old. Every month until 6 months old. Every 3 months thereafter.
Flea treatment	Every 4 weeks for Eipro (Fipronil) or Stronghold. .
Vaccination	A course of two injections at 9 and 12 weeks old. Once a year thereafter.
Neutering	The ideal age for cats is between 4 and 6 months.
Premium food	Kitten food is recommended for the first 12 months. We recommend a hypoallergenic brand such as James Wellbeloved.
